

We are privileged in the Mid Downland Parish to be the custodians of four historic church buildings, which have provided a focus for the life events of the members of our communities for hundreds of years and continue to do so to this day.

Each year Sussex Historic Churches Trust invites people to visit our county's historic churches, on foot or by bicycle, and to raise sponsorship to enable them to make grants towards their care. In 2009 we received an award of £20,000 towards the restoration of the east window of Holy Trinity.

On Saturday 11th September, some of us are walking from The Transfiguration, Pyecombe to St Andrew's Edburton, calling in at Newtimber and Poynings on the way. You would be welcome to join in; we will be departing from Pyecombe church 8.30 a.m.

We would also welcome your financial support. Please make donations directly to our church account, with the reference SHCT (Sussex Historic Churches Trust) and we will ensure that it is passed on. We never know when we may need to apply to them again to help us maintain your historic churches. Your support is very much appreciated.
